8-Gallon Single Stage Gasoline

The Mi-T-M AM1-PH65-08M is a compact, contractor-grade air compressor powered by a 196cc Honda GX200 engine, delivering 13.9 CFM at 90 PSI. Its 8-gallon twin tank design offers steady airflow in a portable frame, ideal for job site use. Built with a durable cast iron cylinder and belt-drive system, it runs quieter and lasts longer. Backed by a 2-year limited warranty, this unit combines reliability, power, and value in one rugged package.

WE HAVE YOUR
FASTENERS!

TOOL RANCH®

WE'RE
Moving Back!

Rochester, have you heard?

We're excited to announce that our Rochester-area stores are relocating to a more convenient and central location, 1150 Scottsville Road, right alongside Kozel Steel. As part of this transition, our **Ontario** and **Henrietta** stores (formerly N/S Fasteners) will be **closing**. We'll continue to provide the same great service to your jobsites and equipment, just as we always have. We look forward to welcoming you to our new location soon!

Senco CS61H1 Pneumatic Cap Stapler

The Senco CS61H1 is a lightweight (4.5 lbs.) yet durable pneumatic cap stapler engineered for efficient, secure fastening of materials such as house wrap, roofing felt, and foam board insulation. It drives 5/8" to 1-1/2" leg, 18-gauge, 3/8" crown "M" Series staples with 1" plastic caps, and is also cross-compatible with Senco's 16-gauge, 7/16" crown "N" Series staples, interchangeable with the Stinger CS150 style cap stapler. Fully backwards compatible with Stinger caps and staples, the CS61H1 provides exceptional flexibility for professional applications. Key features include:

- Rugged top-load magazine for secure cap retention
- Compact in-line feed system for superior visibility and maneuverability
- Cap bypass switch for staple-only operation
- Wear guards for enhanced tool longevity
- Cap alignment plate for consistent fastener placement
