Day1 Finishing Aid

\$129

LY-1005RTU

Combat curing imbalances and extend your finishing window with Day1 Finisher:

- ✓ Slows Surface Curing
 - Retains moisture in the top layer to match the curing rate of the slab interior.
- ✓ Prevents Surface Cracking
 - Reduces differential shrinkage—no more early cracks.
- ✓ Extends Finish Time
 - Provides more time to work the slab without dry troweling or burn marks.
- ✓ Improves Surface Quality
 - Easier troweling. Cleaner finish. Greater durability.

Protect your work with ChemMasters seals and finishes
